Technology Cooperation Days 25 - 27 April 2017

INDUSTRY 4.0: Smart Factories, Ressource Efficient Manufacturing, Sustainable Energy & Mobility

ABOUT TECHNOLOGY COOPERATION DAYS

Established more than sixty-five years ago, **HANNOVER MESSE** ranks today as the leading international showplace for industrial technologies, materials and product ideas.

The brokerage event **Technology Cooperation Days** is a platform for enterprises, research institutions and universities to find partners for technology and research cooperations and business partnerships in pre-organised one-to-one meetings. Since 2002, more than 2800 participants were supported with targeted bilateral meetings, resulting in numerous international partnership agreements.

THEMATIC FOCUS: INDUSTRY 4.0

- _ SMART Factories
- _ Industrial Manufacturing
- _ Energy & Resource Efficient Manufacturing
- _ Sustainable Energy & Mobility Solutions
- _ Measurement Tools

WHY PARTICIPATE

- _ Showcase your projects, products and know-how
- _ Find new business, technology and research partners in pre-scheduled meetings
- _ Save resources by selecting only promising meetings
- _ Initiate cross-border contacts and co-operations
